On-going Projects

XAI-FL — 2026
Research project — *Remote*

- Trying to integrate XAI (Explainable Artificial Intelligence) on models trained using FL (Federated Learning). With a focus on using privacy preserving techniques like Differential Privacy.
- Guide: Dr. Parteek Kumar Bhatia (WSU, USA) and Dr. Sachin Kansal (TIET, India)
- Technology used: PyTorch, InterpretML, NVFlare.

BioFL — 2026
Research project — *Remote*

- Working on applying Federated Learning (FL) on unexplored biomedical datasets.
- Guide: Dr. Parteek Kumar Bhatia (WSU, USA) and Dr. Kashish Goyal (TIET, India)

- Technology used: PyTorch, InterpretML.

Deepfake Detection 2026
Group Research project *Remote*

- Working on building a model to detect deepfake in dataset having audio video modality.
- Guide: Dr. Shefali Arora Chouhan (NIT Jalandhar, India)
- Technology used: PyTorch

Projects

ThaparSat research project 2024
Solo project *Patiala, Punjab*

- Systematic Approach to Enhance Signal Quality and Noise Reduction in Remote Sensing and Astrophysical Applications
- Capstone project under the guidance of Dr. Seema Bawa and Dr. Mamta Gulati

Vriddhi App 2022
Group Project *Patiala, Punjab*

- An app to guide parents to facilitate and ensure holistic growth in cognitive, psychomotor and affective domains. Contributed in the front-end of the app (using Flutter-Dart).
- Technology used: Flutter-Dart, Firebase, GetX, React Js, Chart Js, Swiper Js, Figma.

Technical & Research Skills

Machine Learning & AI: PyTorch, InterpretML, NVFlare, OpenCV, NumPy, Matplotlib, Knowledge Distillation, Federated Learning
Programming Languages: C, C++, Python, Dart, HTML, CSS, SQL
Research & Academic Tools: LaTeX, AsciiDoc, Zotero, Git, GitHub, VS Code, JupyterLab
Development Frameworks: Django, Flutter, Firebase

Extra-Curricular and Volunteer

WRO 2026 Regional Championship, Jaipur 8 August, 2026
Judged the participants in 'Future Innovators' category. *Jaipur, Rajasthan*

WRO 2026 Regional Championship, Chandigarh 8 July, 2026
Judged the participants in 'Future Innovators' category. *SAS nagar, Punjab*

International Conference on Statistical Learning (ICSL) 2025
Presented 'Systematic Approach to Enhance Signal Quality...' *Rupnagar, Punjab*

Open Web Application Security Project (OWASP) 2022 - 2023
Team Member: Presented a session on blockchain as part of orientation of first year students. *Patiala, Punjab*

Center for Training and Development (CTD) 2021 – 2023
