For the year 2016 & 2017. Secured third position in Regional Championship of WRO 2017.

On-going Projects

XAI-FL — 2026
Research project — *Remote*
- Trying to integrate XAI (Explainable Artificial Intelligence) on models trained using FL (Federated Learning). With a focus on using privacy preserving techniques like Differential Privacy.
- Guide: Dr. Parteek Kumar Bhatia (WSU, USA) and Dr. Sachin Kansal (TIET, India)
- Technology used: PyTorch, InterpretML, NVFlare.

BioFL — 2026
Research project — *Remote*
- Working on applying Federated Learning (FL) on unexplored biomedical datasets.
- Guide: Dr. Parteek Kumar Bhatia (WSU, USA) and Dr. Kashish Goyal (TIET, India)
- Technology used: PyTorch, InterpretML.

Deepfake Detection — 2026
Group Research project — *Remote*
- Working on building a model to detect deepfake in dataset having audio video modality.
- Guide: Dr. Shefali Arora Chouhan (NIT Jalandhar, India)
- Technology used: PyTorch

Projects

ThaparSat research project 2024

Solo project *Patiala, Punjab*

- Systematic Approach to Enhance Signal Quality and Noise Reduction in Remote Sensing and Astrophysical Applications
- Capstone project under the guidance of Dr. Seema Bawa and Dr. Mamta Gulati

Vriddhi App 2022

Group Project *Patiala, Punjab*

- An app to guide parents to facilitate and ensure holistic growth in cognitive, psychomotor and affective domains. Contributed in the front-end of the app (using Flutter-Dart).
- Technology used: Flutter-Dart, Firebase, GetX, React Js, Chart Js, Swiper Js, Figma.

Technical & Research Skills

Machine Learning & AI: PyTorch, InterpretML, NVFlare, OpenCV, NumPy, Matplotlib, Knowledge Distillation, Federated Learning
Programming Languages: C, C++, Python, Dart, HTML, CSS, SQL
Research & Academic Tools: LaTeX, AsciiDoc, Zotero, Git, GitHub, VS Code, JupyterLab
Development Frameworks: Django, Flutter, Firebase

Extra-Curricular and Volunteer

International Conference on Statistical Learning (ICSL) 2025

Presented 'Systematic Approach to Enhance Signal Quality...'

Center for Training and Development (CTD) 2021 – 2022

Senior Coordinator: Coordinated the Placement Symposium.
